Dear Dewi Sopia Simbolon,

Congratulations on your admission to the National Chin-Yi University of Technology! We are excited for you to be part of our school. As a member of the exchange program in 2016 spring semester, you will join a dynamic student community in a place of endless opportunities. NCUT offers an unparalleled setting for the next chapter of your life.

The competition for admission was particularly rigorous this year. We were impressed by your academic achievements and believe strongly in your potential for continued success. You are a remarkable individual, and we are confident that you will make a lasting contribution to NCUT and to the world.

The National Chin-Yi University of Technology family welcomes you, and I personally look forward to greeting you on campus.

Best regards,

鄧美貞
