Letter of Acceptance

June 14, 2019

Dear Anna Theresa,

I am pleased to inform you that you have been admitted as an exchange student to the Undergraduate Program in Finance at Asia University for the Fall Semester which starts on September 9, 2019 and ends on January 10, 2020.

According to the formal agreement on academic cooperation between Asia University and Nommensen HKBP University (UHN), you will register and pay tuition fees at your home university. But you need to confirm with us your choice of either on-campus residence hall or off-campus housing. The residence hall rate for a quadruple-occupancy room is NT \$17,500 (around US\$580) per student per semester.

As an international exchange student entering Taiwan for study, you must apply for a visitor visa which is valid for 180 days. This acceptance letter issued to you is one of the documents required for visa application. You might want to visit the government's website at <http://www.roc-taiwan.org> for more detailed information.

All exchange students must show proof of insurance and are strongly advised to purchase insurance in their home countries prior to arrival in Taiwan.

Should you have further questions, please feel free to contact us at +886-4-23323456 ext. 6278 or ciae@asia.edu.tw. Welcome to Asia University! We wish you well and really look forward to meeting you soon!
